**CNL EXECUTIVE TO SPEAK AT INTERFACE HEALTHCARE REAL ESTATE
WEST CONFERENCE**

-- Talk will highlight changing prices in the healthcare market --

(ORLANDO, Fla.) Feb. 23, 2015 — CNL Financial Group’s Senior Vice President James Schmid will speak at the sixth annual Interface Healthcare Real Estate West Conference being held Feb. 25 in Los Angeles. As part of a panel discussion, Schmid and other speakers will look at pricing pressures facing the healthcare real estate market. The panel is titled “Will Prices Continue to Go Up and Cap Rates Down in the Healthcare Investment Market?”

InterFace Healthcare Real Estate West is a leading regional conference that brings together hospitals and healthcare systems, owners/investors/developers, lenders and financial intermediaries, leasing, management and operations specialists from across the United States. The conference will focus on how ongoing changes in the healthcare industry are impacting healthcare and medical office real estate usage and strategies.

Schmid leads CNL Financial Group’s investment in medical real estate and the management of its extensive medical office and acute and post-acute care portfolio, while playing a key role in the acquisition of more than \$1 billion of properties across the United States since early 2013. He has more than 11 years of experience in healthcare acquisitions, portfolio management and finance.

Cautionary Note Regarding Forward-Looking Statements

Statements above that are not statements of historical or current fact may constitute “forward-looking statements” within the meaning of the Federal Private Securities Litigation Reform Act of 1995. The Company intends that such forward-looking statements be subject to the safe harbor created by Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are statements that do not relate strictly to historical or current facts, but reflect management’s current understandings, intentions, beliefs, plans, expectations, assumptions and/or predictions regarding the future of the Company’s business and its performance, the economy, and other future conditions and forecasts of future events, and circumstances. Forward-looking statements are typically identified by words such as “believes,” “expects,” “anticipates,” “intends,” “estimates,” “plans,” “continues,” “pro forma,” “may,” “will,” “seeks,” “should” and “could,” and words and terms of similar substance in connection with discussions of future operating or financial performance, business strategy and portfolios, projected growth prospects, cash flows, costs and financing needs, legal proceedings, amount and timing of anticipated future distributions, estimated per share net asset value of the Company’s common stock, and/or other matters. The Company’s forward-looking statements are not guarantees of future performance. While the Company’s management believes its forward-looking statements are reasonable, such statements are inherently susceptible to uncertainty and changes in circumstances. As with any projection or forecast, forward-looking statements are necessarily dependent on assumptions, data and/or methods that may be incorrect or imprecise, and may not be realized. The Company’s forward-looking statements are based on management’s current expectations and a variety of risks, uncertainties and other factors, many of which are beyond the Company’s ability to control or accurately predict. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, the Company’s actual results could differ materially from those set forth in the forward-looking statements due to a variety of risks, uncertainties and other factors. Given these uncertainties, the Company cautions you not to place undue reliance on such statements.

For further information regarding risks and uncertainties associated with the Company’s business, and important factors that could cause the Company’s actual results to vary materially from those expressed or implied in its forward-looking statements, please refer to the factors listed and described under “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and the “Risk Factors” sections of the Company’s documents filed from time to time with the U.S. Securities and Exchange Commission, including, but not limited to, the Company’s quarterly reports on Form 10-Q, and the Company’s annual report on Form 10-K, copies of which may be obtained from the Company’s website at CNLHealthcareProperties.com.

All written and oral forward-looking statements attributable to the Company or persons acting on its behalf are qualified in their entirety by this cautionary note. Forward-looking statements speak only as of the date on which they are made, and the Company undertakes no obligation to, and expressly disclaims any obligation to, publicly release the results of any revisions to its forward-looking statements to reflect new information, changed assumptions, the occurrence of unanticipated subsequent events or circumstances, or changes to future operating results over time, except as otherwise required by law.
